Notes

1. Performance measures are expressed after fees, costs and before taxes. 2. Allocations may not add up to 100% due to the rounding of individual components. 3. Other includes all non-manager holdings such as derivatives exposure due to dynamic asset allocation, cash and cash like securities held for currency hedging and the general operation of the Trust. 4. The Management fee is inclusive of GST (after taking into account Reduced Input Tax Credits) and can be negotiated for direct investors. The Trust also has exposure to underlying investment managers (including Ibbotson) which charge performance fees and these are an additional cost to you and impact the return. 5. These alternative investments are exposed to the performance of a diversified portfolio of absolute return strategies accessed via total return swaps, alternative assets and strategies. 6. Allan Gray Australia was formally known as Orbis Investment Management Australia.
